OTHER HELPFUL HINTS:

Watch List

As you scan auction inventory lists, you can conveniently place vehicles on your Watch List to remind you of what you're interested in.

Condition Report

When you click on the "Run" number or photo/CR link, it takes you to the vehicle's complete condition report.

AutoBid

Ever wish you could be in more than one place at a time? You can when you place an AutoBid. Let the system do the work for you. AutoBid allows you to place bids on vehicles in multiple auction lanes, across the country.

Watch More Lanes

Without leaving your office or home, you can catch all the action. Imagine being in three places at the same time. During a LiveBlock auction, you can simultaneously view and bid on vehicles in up to three lanes, nationwide.
