POST-SALE INSPECTION

NOTE:

- A post-sale inspection is mandatory on Dealer Cars, local fleet vehicles, and Vehicles consigned by members of the public that are sold under a Green Light.
- A Post Sale Inspection can help identify common arbitration issues related to ABS, Air Bags, Major Repair and Structural Damage. However, a **Post-Sale Inspection does not expand arbitration rights under the Auction Policies**. Accordingly, please note:

Green Light Vehicles:	Arbitration rights for Major Repair, ABS, and Air Bags are subject to the Arbitration Dollar Threshold under the Auction Policies. Under \$40,000: \$750 \$40,000 and over: 2% of the Vehicle sale price
Red Light/As Is Vehicles:	Arbitration rights limited to existing structural damage caused by collision.

HOW DOES IT WORK?

1. **ELIGIBLE VEHICLES:** The search results will display a post-sale inspection icon if a post-sale inspection is available.
2. **DEALERBLOCK:** To add a post-sale inspection, on the BID/BUY Details page underneath the Post Sale Inspection Options, select the box next to "post-sale inspection". To purchase when available by default, simply navigate to My Account > Site Preferences and select "Order Buyer Protection Plan by Processing Auction" under "Configure Your Default Checkout Options", then press "SAVE CHANGES." If the post-sale inspection is mandatory, you will not be able to unselect the option.
3. **SIMULCAST:** To add the post-sale inspection, on the AUTOBID submission page, under Post Sale Inspection Options, select the post-sale inspection option.
4. Upon winning the auction, please remit payment of the complete purchase. Do not wait for the post-sale inspection to be completed.
5. The processing ADESA auction is responsible for the entire post-sale inspection process and will contact you with the results once the post-sale inspection is completed. If you have any questions during this process, please do not hesitate to contact the auction directly.
6. Vehicles will not be released for transport until the next business day after the post-sale inspection has been completed.

POST-SALE INSPECTION

POST-SALE INSPECTION TERMS AND CONDITIONS:

- The post-sale inspection is not insurance or a guaranteed buy-back policy. It is a mechanical inspection performed by a trained service technician to assist a buyer to identify arbitration issues related to the items on the post-sale inspection checklist.
- If you believe that something has been missed on a post-sale inspection that impact's your arbitration rights, you must bring it to the attention of the inspecting auction as soon as possible. Please note that disputes regarding post-sale inspection results cannot be raised if a vehicle has been driven more than **250** km after the sale date.
- The buyer is financially responsible for payment of the post-sale inspection fee regardless of whether the vehicle passes or fails inspection.
- If a vehicle fails post-sale inspection, it will be placed into the arbitration process and the Buyer's rights and obligations will be governed by the ADESA Policies that may be found at www.adesa.ca.
- Please note that post-sale inspections on trucks, larger vehicles and specialty vehicles are for information purposes only and do not give rise to arbitration rights based on the inspection results. Examples of specialty vehicles include but are not limited to:
 - Kit vehicles,
 - Hand -built vehicles
 - Exotic vehicles such as Aston Martin, Bentley, Bugatti, Dodge Viper, Ferrari, LaForza, Lamborghini, Maserati, Maybach, McClaren, Panoz, H1 Hummer, and Rolls Royce
 - Trailers
 - Motorcycles
 - Watercraft
 - Recreational vehicles
 - Antiques (20 years or older)
 - Significantly modified Vehicles
 - Heavy trucks
 - Cube vans
 - Equipment
 - Vehicles or conditions specifically excluded in the most current ADESA arbitration policy

ADESA reserves the right to modify, alter, discontinue or terminate this policy at any time for any reason without notice.
