The smart way to find vehicles

Take advantage of the smart way to search for vehicles you are interested in on ADESA.com. Use our quick search box to find vehicles faster and more efficiently. With the quick search box, you can enter commonly used search words (or a combination of search words); our system will use your search parameters and provide the vehicles you're looking for.

1. LOG ON VIA ADESA.COM

- Enter your user ID and password.

IF YOU ARE NOT YET REGISTERED:

- Click REGISTER NOW.
- Complete and submit the online registration form; Customer Connection will then contact you to complete your registration information.

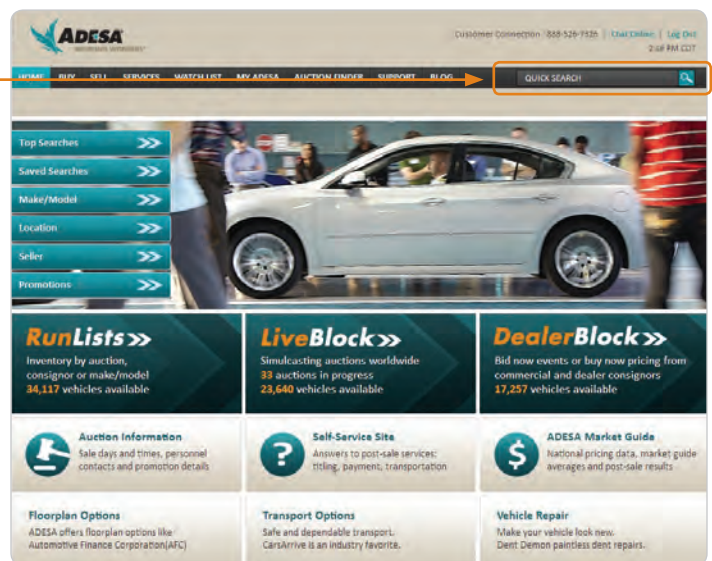

NOTE: Effective July 2013, for users associated to more than one organization, you will be prompted to choose an organization at your first log in. This will set the default for all subsequent logins. Users can change the default organization by accessing MY ADESA in the main navigation and then SITE PREFERENCES in the sub-navigation bar.

2. ACCESS QUICK SEARCH FIELD

- Once logged in, click on QUICK SEARCH field on the main navigation bar.
- Enter search word(s) in the search field.
- As you type, vehicles that match your search criteria automatically populate.
- The system shows how many results match your search.

NOTE: The quick search box is available on every page for easy access.
