

## Plus is here.

Plus is an online cooperative between ADESA and AuctionPipeline. It combines the online resources of both auction companies and makes it easier than ever to find the right inventory.

You can now access ADESA and AuctionPipeline run lists on both ADESA.com and auctionpipeline.com. Look for the branded "+" icon next to the run list navigation on each site. This symbol indicates the Plus advantage—easy access to shared information and inventory.

If you have any questions about Plus, please contact dealer relations, 317-706-3776. Watch for new Plus tools during the coming year at ADESA.com or auctionpipeline.com.
