BID BUTTONS:

The bidding buttons are available from every lane view.

Bid – click to bid the shown amount.

Auto – same as an AutoBid that you set prior to a sale. Set it and let the software incrementally bid for you, as needed to win the sale, up to the maximum dollar amount.

Hard – jump the bidding.

WELCOME TO THE NEW LIVE

ADESA Simulcast lets you join live sales anytime from your desktop and mobile device. ADESA Simulcast has a responsive, user-friendly design that makes it faster and easier to bid and buy cars online. To learn more about ADESA Simulcast visit www.ADESA.ca/Simulcast.

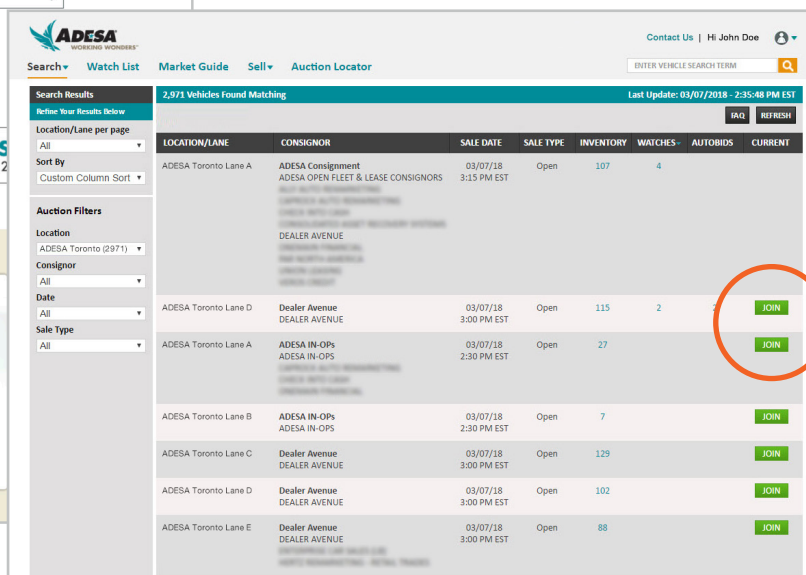

- Join sales fast - nothing to download or install
- Expand bidding window to fit any size monitor, even multiple screens
- View an unlimited number of auction lanes
- Review condition reports with detailed photos
- Scan on-screen VIN barcodes with your favorite valuation app

JOINING A SALE

1. From ADESA.ca, hover over **Search** on the top navigation bar and click on **Simulcast** in the drop-down menu to see upcoming sales.

2. On the Sale Schedule page, select **JOIN** for any current sale. This will automatically launch the ADESA Simulcast bidding experience.

3. Select the buyer profile(s) that you want to bid as, and click **GO TO SALE**. You may set the default buyer profile for each new lane as you open it.
