

Volkswagen TDI

Audi TDI

# WHY BUY TDI? NO-CHARGE PRE-SALE INSPECTION

## With 14-Day Seller Guarantee

Volkswagen and Audi TDI Diesels are back—and eligible vehicles from Volkswagen Group of America now include a no-charge Pre-Sale Inspection for enhanced buyer confidence<sup>1</sup>:

- Mechanical and structural components checked (see list at right)
- Qualifying vehicles will be announced with a 14-Day Seller Guarantee<sup>2</sup>
- See Volkswagen or Audi TDI Buyer Guide for complete details

### Mechanical and structural components checked:

- Vehicle structure visually checked for frame damage
- Engine function and operation
- Transmission engages and functions
- Flood inspection
- Odometer verification
- 4 x 4 system engagement (if applicable)
- ABS/brake system
- Emission control system
- Air conditioning system compressor engagement check
- SRS/air bag check
- Electrical accessories checked for function, if included on the vehicle

<sup>1</sup> Only TDI Diesel vehicles from Volkswagen Group of America qualify for no-charge Pre-Sale Inspections; excludes TDI Diesel inventory from Volkswagen Credit and Audi Financial Services. Look for announcements indicating vehicle qualified for Pre-Sale Inspection. Additional exclusions include non-runners, vehicles over 100K miles, TMU, and salvage branded vehicles.

<sup>2</sup> Post-sale day arbitrations handled by Volkswagen Group of America.
