

## CONDITION REPORTS

Buyers can't see or touch vehicles while shopping for inventory online; they search, sort and rely on photos, condition reports and AutoGrade scores to make confident buying decisions.

Vehicles with high-resolution photos, condition reports and an AutoGrade score are 3 times more likely to sell on LiveBlock.

	Basic Imaging	Premium Condition Report	Professional Condition Report
Photo location inside			✓
AutoGrade		✓	✓
Eligible for online DealerBlock sales		✓	✓
Simulcasting Worldwide on LiveBlock	✓	✓	✓
