ADESA Assurance Eligible Vehicles:

- Vehicles that are eligible for the ADESA Assurance promotion will be identified on ADESA.com and will generally be off-lease vehicles for sale by ADESA's US-based off-lease sellers, primarily captive finance companies and banks.
- Vehicles that are not identified as eligible for ADESA Assurance on ADESA.com will not be eligible for the promotion, although other forms of Buyer protection may be available (e.g. Buy Back Guarantee, Post Sale Inspection etc.)
- Vehicles that are purchased for over \$40,000 are not eligible for the ADESA Assurance promotion.

ADESA Assurance Conditions for Eligibility:

- Vehicle must not qualify for valid arbitration under ADESA auction Terms & Conditions at time of buy-back request. Vehicles that are eligible for arbitration will be handled through the arbitration process and the buyer will be reimbursed accordingly.
- Vehicle must be in the same or better condition than indicated on Vehicle Details Page at the time of purchase.
- ADESA Assurance can only be purchased as the time of the purchase of the vehicle. It cannot be added or removed after confirmation of vehicle purchase.
- ADESA reserves the right to limit the number of vehicles for which any Buyer may purchase the ADESA Assurance promotion.

- Buyer must use commercially reasonable care in storing the vehicle safely, consistent with industry standards. Buyer is responsible for damage or loss of the vehicle after it has been repurchased until it is picked up from the buyer's property.
